

Privacy Policy

Protecting your private information is our priority. This Statement of Privacy applies to the gemstatesoftware.com website, the Gem State Software Facebook App, and Gem State Software LLC and governs data collection and usage. For the purposes of this Privacy Policy, unless otherwise noted, all references to Gem State Software LLC include gemstatesoftware.com and the Gem State Software Facebook App. The Gem State Software LLC website is a Software Development site. By using the Gem State Software LLC website, you consent to the data practices described in this statement.

Collection of your Personal Information

Gem State Software LLC may collect personally identifiable information, such as your name. If you purchase Gem State Software LLC's products and services, we collect billing and credit card information. This information is used to complete the purchase transaction. We may gather additional personal or non-personal information in the future.

Information about your computer hardware and software may be automatically collected by Gem State Software LLC. This information can include: your IP address, browser type, domain names, access times and referring website addresses. This information is used for the operation of the service, to maintain quality of the service, and to provide general statistics regarding use of the Gem State Software LLC website.

Gem State Software LLC encourages you to review the privacy statements of websites you choose to link to from Gem State Software LLC so that you can understand how those websites collect, use and share your information. Gem State Software LLC is not responsible for the privacy statements or other content on websites outside of the Gem State Software LLC website.

Use of your Personal Information

Gem State Software LLC collects and uses your personal information to operate its website(s) and deliver the services you have requested.

Gem State Software LLC may also use your personally identifiable information to inform you of other products or services available from Gem State Software LLC and its affiliates. Gem State Software LLC may also contact you via surveys to conduct research about your opinion of current services or of potential new services that may be offered.

Gem State Software LLC does not sell, rent or lease its customer lists to third parties.

Gem State Software LLC may share data with trusted partners to help perform statistical analysis, send you email or postal mail, provide customer support, or arrange for deliveries. All such third parties are prohibited from using your personal information except to provide these services to Gem State Software LLC, and they are required to maintain the confidentiality of your information.

Gem State Software LLC may keep track of the websites and pages our users visit within Gem

Gem State Software LLC, in order to determine what Gem State Software LLC services are the most popular. This data is used to deliver customized content and advertising within Gem State Software LLC to customers whose behavior indicates that they are interested in a particular subject area.

Gem State Software LLC will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on Gem State Software LLC or the site; (b) protect and defend the rights or property of Gem State Software LLC; and, (c) act under exigent circumstances to protect the personal safety of users of Gem State Software LLC, or the public.

Security of your Personal Information

Gem State Software LLC secures your personal information from unauthorized access, use or disclosure. When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as the Secure Sockets Layer (SSL) protocol.

Children Under Thirteen

Gem State Software LLC does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.
